MARCH IS MINNESOTA FOODSHARE MONTH

March is Minnesota FoodShare Month. Due to the current economic situation in Minnesota, one in ten Minnesotans do not have enough food in their homes. Our Food Shelf distributed five percent more food last year and currently serves about 200 members per month. So, please consider sending a donation to help replenish our food shelf supplies during these cold winter months.

MIRACLE ON 38TH STREET

This year's Holiday Basket Program was an amazing success! This year, we distributed 710 baskets with gifts for more than 950 adults and 450 children. What was truly amazing was that 576 baskets (81 percent) were adopted—a significant increase from the previous year. Thanks to everyone who donated presents, made financial gifts and volunteered. Here is what one of this year's recipients said about his basket:

"Such a wonderful expression of Christmas love!... Thanks to all who made this possible. I look forward to it every year, as I get not presents from anywhere else. Thanks for the beautiful blanket with my favorite critters on it. I hope you know how much it means to be remembered in this way during the holidays!"

Special *thanks* to the following businesses, groups and individuals:

CAPITAL CAMPAIGN

There is ongoing activity regarding the Positive Impact Capital Campaign. The Capital Campaign continues to follow up on funding sources. We have raised roughly \$700,000 to date. We need to raise at least 50% of our goal of 2.5 million before construction can begin.

In the next six months we hope to exceed that half way mark. We continue working on corporate proposals: Cargill, Imation, General Mills, Target, SuperValu; so if you or a friend works at one of these companies, we would like to speak with you. Please contact **Joe Larson**, *Executive Director*, at **612-822-7946, extension 201**.

The front of the building has all new windows on the first and second floor. This was completed with a matching grant we received from the City of Minneapolis for a new facade. This spring the new panels on the second story will be painted to complete the work.

In December, we received a new freezer for the Food Shelf at the new site. This was provided in part with a grant from Second Harvest. We will continue to report on progress and ways individuals and members can be of assistance to the Positive Impact Capital Campaign.

WOMEN OF ALIVENESS

We tried to start up a women's group here at Aliveness on Saturdays after brunch. It didn't take off so we are taking a break until March. Let us know if you are interested in attending a women's group and what time and date would be best and whether you will need childcare. Please take time to fill out a short survey at the front desk about women's programming at The Aliveness Project.

Feel free to contact the Health & Wellness team with any questions:

DINING OUT FOR LIFE

THURSDAY, APRIL 28, 2011

Is it that time already? YES! It won't be long before you'll hear me inquire whether you know a restaurant or want to be an ambassador or exhort you to eat throughout the day, so beat me to the punch!

Call me at 612-822-7946, extension 204, and surprise me! We will need over 400 ambassadors and would like to recruit some new restaurants to add. We'll also need prizes and poster distributors. I have one volunteer working on recruitment, but there is much to be done.

We are fortunate this year to again have KARE 11 and Minnesota Monthly participating as Event Sponsors. Check out the fun we had last year...

HOLIDAY BASKETS 2010

HAPPY NEW YEAR!! from the Fundraising and Special Events guy. 2010 was an exciting year. As hoped last year (and written about), we **DID NOT** get into our new building before Holiday Baskets, but we made do - even though there was a major increase in the number of families served this year.

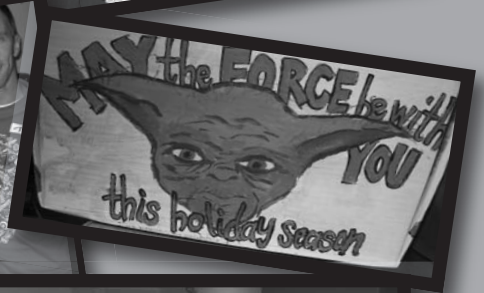

Holidays Baskets, while very crowded, was VERY exciting! We had 710 families request baskets and **576 were adopted!! Amazing!** Thank you to the many, many groups and individuals who adopted baskets or hosted (toy, mitten, appliances, etc) drives or donated cash to help purchase gifts to provide our families with a bright light during the often difficult holiday season.

Here are a few of the individuals and groups I would like to thank who adopted multiple baskets or VERY large families: Alzheimer's Association, Loreena Anderson, Peter Austin and Chris Foss along with their many friends, Avalon School - Purple Butterflies GSA, Laura Bachinski and Renee DeLong, Billy Elliot National Tour, Blue Cross and Blue Shield of Minnesota, Cargill and the Cargill, Inc, Treasury group, De LaSalle High School, John Doll, First Equity Mortgage, Fridley United Methodist Church, Friendly Hills Middle School, Girl Scouts of MN/Wisconsin/River Valley - Troop 54209, Health Partners - Institute for Medical Education, Hiawatha Church, Imperial Court of Minnesota, Integrated Healthcare Strategies/Stratford Fidelity, Judson Memorial Baptist Church, Lutheran Church of Christ the Redeemer, Macalester Plymouth United Church - Youth, New Spirit United Church of Christ, Linda and Jeff Raines, Lee Roehl and Paul Shapiro, Amy Ruzick, Smith Partners PLLP, Smitten Kitten, The Chair Salon, Timothy Torgerson, Tres Jolie Salon, TRUST Youth Group, Valley of Peace Lutheran Church - Youth Group, Washington County Library - Woodbury Branch and Wells Fargo Home Mortgage and Insurance ASC.

*HAPPY NEW YEAR
and THANK YOU
for all you did to
make the lives of people
better in 2010.*

VOLUNTEER NEWS *Monica Travis Director of Volunteer Services*

Happy New Year to all of our astounding volunteers! My deepest thanks for all that each of you do to support The Aliveness Project. Whether you help once a year or multiple times a week, together all of us make a huge difference in the success of The Aliveness Project and our continued ability to build and create a true sense of community. Please see our photo collage on page 5 from this year's Holiday Basket Program.

Have you "liked" us yet on Facebook? It is the best way to keep up with our ongoing volunteer needs. Recent posts have asked for help staffing tables at events, moving boxes, shoveling, helping at a food drive, and seeking suggestions for a movie title for our Volunteer Recognition Movie Night. It is a great way to get introduced to volunteering with us, especially when many of our day-to-day operations positions are already fully staffed.

We are still plotting this year's Volunteer Recognition Night. Please keep your eye on Facebook and our website for more information. All volunteers will be welcome and we hope that you will be able to join us.

Join us at the Mall of America on Saturday, February 19 between 10 am - 3 pm as we participate in HandsOn Twin Cities Volunteer Expo. We'll have a booth and be promoting Dining Out for Life and our other activities. You can also learn about dozens of other volunteer opportunities across the Twin Cities. We may still need help staffing our booth, too. Interested? Let me know!

With all this said, remember that Dining Out for Life is but a blink away and we once again will need hundreds of Ambassadors! Qualifications include:

- *Be able to talk glowingly about The Aliveness Project*
- *Inviting tons of friends to your restaurant*
- *Be able to smile and have FUN for 3-4 hours!*

Dine Out, Fight AIDS

Please think about who you will recruit as NEW Ambassadors this year, because we'll be in need of some new faces. Do be in touch about joining in for breakfast, lunch, or dinner for **Dining Out for Life on Thursday, April 28th!** Look for the sign-up on our website soon.

Aliveness Project Need List:

- New space heaters for therapy rooms
- Chiropractic or massage tables in very good condition
- GREAT prizes for our Dining Out for Life Drawing (such as airline, art or sporting event tickets, in-kind services, vacation stays, gift baskets, etc.)
- Colored copy paper
- 10+ inch digital frame for community displays

Sharon A.November 10, 2010

My name is Sabrina Cornell Miller (LAc., MAOM.) and I am the owner of Zhen-qi Acupuncture clinic. I have practiced acupuncture since 1997. I studied at MIAHS with Edith Davis and Northwestern Health Science University.

All my life, I was interested in natural healing modalities, so I studied Herbs and Massage Therapy in Germany. My mother would always give me herbal teas when I was sick and I never forgot the comfort that it produced.

When I came to America in 1987 I learned, because of my own physical and emotional health issues, that I needed to further my knowledge of healing modalities. I started to deepen my studies in herbology and acupuncture and also studied independently with "barefoot doctor," Dr. Viet Duk. I am a pediatric and adult Tui-na practitioner and also a Reiki Master Teacher since 1995.

My work with The Aliveness Project started over 15 years ago when I did my internship for the acupuncture college. I fell in love with this place and the wonderful people and have volunteered ever since! It's like family and we all share so much on so many different levels.

In my free time, I dance (Flamenco and Bellydance) and facilitate dance and drum circles at my clinic. Dance and music clear my spirit!!

I look forward to my continued work at The Aliveness Project.

Kathy Gagne

My name is Kathy Gagne and I'm honored to now be offering Reiki energy healing at The Aliveness Project. I was introduced to this practice as a way to self-heal, and have found it to be very effective. Reiki treatments are painless and non-invasive, can boost the immune system as well as reduce stress, and can also increase the healing quality of other therapies.

The warm and enthusiastic welcome I have received from staff, volunteers and members have made my first few afternoons at The Aliveness Project genuinely joyful. I am hoping many more members will allow me the opportunity to introduce them to this ancient method of energy healing. I will be at The Aliveness Project on Mondays, with one-hour sessions at 2:00 and 3:00 pm starting near the end of February.

THANK YOU DONORS!

Thanks to everyone who gave financial and in-kind gifts between October 12th 2010 and December 31st, 2010

HOLIDAY BASKET THANK YOU

Each year after Holiday Baskets, we hear from many members of The Aliveness Project who are so appreciative of the extraordinary kindness of the adopters, the caring spirit of the volunteers who deliver their baskets, the sweet paintings on their baskets and the act of being remembered where many have no one around to acknowledge them.

From the many letters we received, we have compiled some of them below for your perusal. Please know that each of you made a **HUGE** difference!

"Thank you so much! Wow! Words cannot describe what all these gifts on Christmas Eve 2010 means to me. Upon hearing the news of my HIV+ status in April, I was devastated to my very core... If it wasn't for places like The Aliveness Project, I wouldn't be here today."

"Thank you for your wonderful gifts. If it weren't for your generosity there would be no Christmas."

"Seeing the smile on my daughter's face was priceless."

"To all of you at The Aliveness Project, including donors and volunteers – all of you made Christmas for me and my partner the best. We are alone and you put smiles on our faces. We are so grateful to have someone who cares about us and people living with HIV/AIDS. I've been needing winter boots for a couple of years and now I have them thanks to all of you..."

"This was my first year in Minnesota and most of my family lives in Tennessee. I wasn't expecting a real Christmas. You helped change that for me. I really want to know how much I appreciate everything you have done for me."

"Thank you very much for such a beautiful coat! You guys are really sweet. You have always treated me so well when I come there for therapies or food shelf"

"I thank the donors and volunteers so much for the wonderful gifts they gave to me and my family... may God Bless them and you, The Aliveness Project for all that you do for many families that are going through tough and trying times..."

"Your service is a blessing to us families who live in poverty and can't afford Christmas presents. Our children couldn't be happier. You put smiles on my children's faces....priceless."

"We are very poor and moved away from family. You really helped us feel at home. We would have had nothing and appreciate what you sent!"

"The kindness, generous and thoughtfulness brought tears of joy to our family, whom otherwise would not have had anything... winter hats, gloves, ear muff and thermals were indeed a necessity!...seeing our child's face when she got her first pair of roller blades cannot be described. It leaves me with tears and restores our faith in humanity!"

FOOD SHELF NEWS

Ho, Ho, Ho! November and December 2010 was a very busy time in the Food Shelf at The Aliveness Project. We received numerous donations this holiday season. Many people have stepped up to the plate and have donated much-needed food, toiletries, and everything in between so we were able to fill everybody's bags to overflowing. Our members appreciated the many extra donated treats such as candy canes, cookies, candy, etc.

There are so many of you that helped us out that I cannot begin to list all of you in this small space. We received donations from businesses, organizations, churches, salons, concerts venues, bars and restaurants, as well as folks that held holiday parties and asked their guests to bring donations of food and just plain folks that like to help in any way they can. There were also many anonymous donors. I hope you all know that you are definitely appreciated!

Even though it is a bit early, I want to plant a seed in everyone's head that this coming **March is Minnesota FoodShare Campaign month. That means we try to get as many people as possible to host food drives at work, school, church, or wherever so we will have a successful campaign again this year.** Every year it gets bigger, so if you want more info about it go to www.mnfoodshare.gmcc.org and read all about it. You can also go to our website at www.aliveness.org and go to the Food Shelf section where you can print a list of items we need in our Food Shelf.

We will also be holding a Food Drive on March 19 and 20 at The Wedge Community Co-op on Lyndale and Franklin. We always need volunteers to help!

The whole Food Shelf gang would like to wish you a very happy holiday season and a wonderful, healthy and happy new year! Thanks again for all you do.
